ASX ANNOUNCEMENT

## IMEXHS receives Brazil's ANVISA<sup>1</sup> registration for HIRUKO™

IMEXHS Limited (ASX: IME) ("IMEXHS" or "the Company") is pleased to announce it has received ANVISA's Certification of Good Practices for Manufacturing of Class II Medical Devices from the Brazilian National Health Surveillance Agency for the HIRUKO™ Essential software suite.

Dr German Arango, IMEXHS CEO said, "IMEXHS is continuing to expand into new geographies. We recently opened our first office in the US and now with the ANVISA certification, we are able to deliver our disruptive medical imaging technology in Brazil, LATAM's largest market, where we will focus on deploying our cloud-based enterprise imaging solution to small and medium-sized clinics and medical imaging centres.

"The Brazilian market represents a significant opportunity for IMEXHS to deliver its affordable *Aquila in the Cloud* software-as-a-service (SaaS) offering via its existing local distributor. With the ANVISA certification, we are excited to provide our cutting-edge tele-radiology solution which will ensure superior business and patient outcomes for Brazilians."

Authorised for release by the board of IMEXHS Limited.
