ABOUT IMEXHS

ImExHS [ASX: IME] is a leading imaging IT provider in Latin America. Since founded in 2012, ImExHS has become to be one of the leaders of the Imaging Latin America market, offering flexible and scalable imaging solutions. Hiruko, the ImExHS solution is comprised of its next generation Picture Archiving and Communications System (PACS) and integrated Radiology Imaging System (RIS). The system is completely cloud based, vendor neutral and Zero footprint with no need for installed software. Enhanced features such as fully web-based voice recognition option and zero footprint DICOM viewer are some of its advanced features. In addition to the PACS and RIS, imaging technology and management systems are provided to the customer on an annual Platform as a Service (PaaS) basis. The ImExHS products are designed to save money for the users, with scalable platform that is configured for the future, while enhancing patient outcomes.
